Dear Folks.

Received two letters from home today. One from Mother & the other from Lois. Lois certainly can write a very nice letter. Do not have any trouble making out her hand writing.

Dot sure did give get a swell Christmas present from her Company. Guess that present made her Christmas a very happy one. She was surprised to hear that John Kelly & Mary Kauffman were married. Guess it must be just about time for John to come in the old Army. Think that he will get in this time.

Have been taking out a bond a month since I came overseas. Hope you are getting them regularly. I should have 5 or 6 of them now. They sure will come in handy after this war is over. Have not met ~~Elmer~~ Martin Brogan as yet but hope to see him next month some time. Did not know that Duda Woster was over here in England. Thought that he was in the Pacific somewhere. Please send me Aunt Sade's address. Have not answered that last letter she sent me.

Thanks a lot for the clippings, I see where they

are still drafting them ⁱⁿ Franklin. Did not think there
were any left to be drafted.

Received a letter from Bobby Harris yesterday.
He is in miss. He likes this Army life pretty
well. Didn't think that he would get along
with this kind of life. Guess they must
be getting ready for Spring Training back home.
Would give anything to be back there to take in
the opening game. I would like to see the
~~Red Sox~~ once more. Don't think there will
be much of a baseball season this year.

Guess that I will take in a show tonight,
have not seen one in over a month, we get some
pretty good pictures, have 1 or 2 a week
in camp. They are the latest pictures out.

Weather has been very cold the last two days.
I would like to have that coat of mine, get
that would keep me warm. Will do for to-
night. Hope you hear from you all soon

Love
Dick.
